PRESS-READY

Order Form & Pricing

What is Press-Ready?

Press-ready pages are already typeset with no alterations or additional typesetting needed. Your material will print the way it appears on your computer. The quality of the printed work is determined by the quality of the press-ready material furnished.

Note:

Submitting your cookbook press-ready may not save you money. Our recipe formats are designed to fit the maximum number of recipes on each page. You may end up with more pages than we would for the same number of recipes, resulting in higher printing costs. However, you will save on production time since we don't have to typeset your recipes. You will also have more design control over your cookbook pages.

Only use this Order Form & Pricing if ALL cookbook pages are press-ready.

This includes: recipe pages, personal pages, table of contents, index, mail-order page, advertising, and any other pages of your cookbook.

- Be sure to submit all 4 pages of the *Press-Ready Cookbook Order Form* with your material.
- Press-ready material must be created according to our margins and specifications. For details, print *Press-Ready Cookbook Pages Guidelines* from the *Download Center* of our web site. Acceptable material includes:
 1. **Digital PDF file** – send your file using our File Uploader at www.morriscookbooks.com/upload. This will also convert your file into a PDF, which provides the highest printing quality. Send a hard copy so we can verify page accuracy.
 2. **A previously printed cookbook** – pages must fit our margins and specifications. We cannot accept a copyrighted cover, divider set, or any other artwork (unless you own the copyright or have signed permission from the owner authorizing use – use our *Release Form*).

Do NOT use this Order Form & Pricing if:

- Only your cover and/or dividers are press-ready. Use our standard *Cookbook Order Form* included in our Cookbook Kit or print it from the *Download Center* of our web site.
- You used typensave.®

Other material to assist you:

- *Press-Ready Cover Guidelines* (if you intend to send a press-ready custom cover).
- *Press-Ready Divider Guidelines* (if you intend to send press-ready custom dividers).
- A signed *Release Form* must accompany your order if you submit any custom artwork, photos, or logos (or we print a previously printed book that contains artwork – see above).

Visit the *Download Center* of our web site,
www.morriscookbooks.com to print this material.
